CARE CONVERSATIONS

FORWARD  
FROM

DR TINA LAMONT // Director TEC

Dear Friend,

Welcome to 2017. Another new beginning serving Jesus in the ministry He has called us to. In reflecting on this I am still in awe of what it means to be a Christian, chosen by God, truly unbelievable! In your Ministry, as in ours, there are many challenges. Perhaps the most subversive of these are the small, annoying distractions that take our eyes off Jesus.

In this series of Care Conversations, Stephen provides us with a “compare and contrast” exercise. He tells us that the “no-God” version of the Biblical passages in this series arose from things sent to him (through very convoluted means) from agents of chaos related to that demon “Screwtape”. Apparently their general area of operation was across Australia, and their collective code name is “Lords of a Mozzie”. You may see the persistently buzzing and

annoying tone within their work

God Bless you all.

Sincerely,

*Dr Tina Lamont*

We all desire to have our schools as places where people are safe and well cared for. Biblically, this possibility is only founded in Christ.

However, the 'Lords Of the Mozzies' seem to take it to other places...

The NIV Translation Romans 12:3-5	The Aussie No-God Translation (from Lords of the Mozzie)
3a. For by the grace given me I say to every one of you...	3a. In a moment of passion I might think to mention to you, if I think it is safe and I will be better off...
3b. Do not think of yourself more highly than you ought...	3b. Make sure you keep your self-esteem intact...
4a. Just as each of us has one body with many members...	4a. Just as each of you has a body that you want to keep looking like it's 25...
4b. And these members do not all have the same function...	4b. And you try to keep it looking just like all the others in the popular media...
5a. So we in Christ we who are many form one body...	5a. So we can choose to take or leave anyone who makes us feel good...
5b. And each member belongs to all the others...	5b. And ignore anyone who makes us feel bad by disagreeing with us, or being boring, or anything else...
