

Dear Friend,

Welcome to our next edition of TEC Connects.

We feel so privileged to partner with you and bring an offering of service. Serving you is the heart of what we do at TEC. "This quote by Mother Teresa resonates with our heart to serve those we partner with":

“I alone cannot change the world. But I can cast a stone across the waters to create many ripples.” (Mother Teresa)

Our prayer is that the stone we cast in the ocean of Christian education will have a ripple effect in transforming our thinking and practice.
